

# Orders from countries with authorized Janssen Cosmetics representations

In the following countries, orders place via our online shop are received, processed, shipped and billed directly by the authorized representatives. For these orders apply the following VAT and/or GST (General Sales Tax) rates, delivery terms, freight rates and payment methods.

The purchase contract is therefore concluded with the foreign representation. The signature (name, address, mail contact) of the foreign representative is indicated in the order confirmation of your order as well as the invoice. If your order comes from one of these countries, please note the terms and conditions listed here.

## Orders from other countries

Registrations from countries listed above are automatically forwarded to the authorized country representative. The customer receives the contact details of the representative who will take care of the order included in the order confirmation, as a delivery in these countries is currently not possible. The foreign representation can be obtained from the list of foreign representatives: <https://www.janssen-cosmetics.com/service/read-more-distributor/>. If there is no representation in the country of the registered user, we refer this user to the head office of Janssen Cosmetics GmbH, the responsible shop operator.
